### About This Game

x2Roulette - game inspired by roulette. Bet 1-7 (red) or 8-14 (black) for DOUBLE your credits. Bet 0 (green) for FOURTEEN times your credits. It doesn't matter how much you bet, your odds are always the same. Bets occur in real time, across the entire steam, meaning you bet, win, and lose along with other players. All rolls are generated using a provably fair system – ensuring a fair roll each and every time.
